

COMMUNITY SURVEY

THE NEED FOR THE WIDER USE OF ST MARY'S CHURCH

This survey is for all Black Bourton residents and interested parties. It is being run as a collaboration between your Parish Council (PC), Village Association (BBVA) and Parochial Church Council (PCC). It is intended to provide evidence of the need for Black Bourton's church to be adapted for wider use in our community. If the need can be demonstrated then the subsequent stages of the project will be to define the requirements, cost the build and raise funds and attract grants.

Please take time to consider and submit your answers. They may well impact on what facilities can be provided for generations to come. Tick as many boxes that interest you and do provide your own suggestions!

Your name:

Your preferred means of contact specifically about this project only:

Email:Telephone:

1. Self-run events

What type of activity would interest you – to join or run?

- Gardening club
- Book club
- Hobbies and Crafts e.g. knitting
